

Dear Healthcare Provider,

YouthCare is the HealthChoice Illinois Health Plan designed for current and former youth in Department of Children and Family Services (DCFS) custody, ages birth through 21.

You do not need to be contracted with YouthCare in order to treat children who are enrolled in YouthCare. Through a **specialized Continuity of Care process** for YouthCare, we have an open network until September 30, 2020, which means **your claims for covered Medicaid services will be paid**. To learn more about submitting claims to YouthCare, please review the billing instructions in our Provider Manual located at [www.ILYouthCare.com](http://www.ILYouthCare.com).

If you have questions about YouthCare, please call **844-289-2264**, press 2 for Member Services and ask for the **Rapid Response Team**, or email us at [ILYouthCare@centene.com](mailto:ILYouthCare@centene.com).
