Welcome to HealthChoice YouthCare Illinois

Welcome to HealthChoice Illinois YouthCare program. We are honored that Illinois Healthcare and Family Services (HFS) chose us to implement this specialized healthcare program for Department of Children and Family Services (DCFS) youth in out-of-home placement, as well as former foster youth. All of the information in this member handbook is meant for DCFS Youth in Care or Former Youth in Care who are referred to as “youth”, “member”, or “you” throughout this handbook. We are keenly aware of the myriad of individuals and organizations involved in a youth’s life while in foster care, as well as the needs of adoptive parents once the youth move to permanency. We also tailor programs to meet the needs of young adults aging out of DCFS on their own.

We are passionate, and we are committed to improving outcomes, reducing the burden on those serving these youth, and to overall assisting with the transition to permanency. We strongly believe foster care should be a temporary stay for youth until they return home or find a forever home. We also know that once the judge bangs the gavel, there are still issues to overcome.

We are happy to be the healthcare partner to the Illinois DCFS system of care to help overcome those issues.

As a YouthCare HealthChoice Illinois member, you have access to many services, resources and experienced staff.

Inside, you will find information about:

-
- Covered services including: medical, dental, vision, and behavioral health
 - Health Care Coordination and health education
 - Promoting Adoption Success™
 - Choosing your PCP and how to get care
 - Adolescent to Adult (a2A)
 - And much more!

Please read everything in this handbook. Write down any questions you might have. You can call us at 844-289-2264 (TTY: 711) with your questions.

We look forward to partnering with you!

YouthCare:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as qualified sign language interpreters and written information (large print, audio, accessible electronic formats, other formats)

Primary Care Provider (PCP)

Your primary care provider (PCP) is your personal doctor who will give you most of your care. They may also send you to other providers if you need special care. With YouthCare you can pick your PCP. You can have one PCP for your whole family. Or you can choose other PCPs for each family member. *You may choose a specialist as a PCP if you have chronic health conditions, disabilities, or special healthcare needs and the specialist agrees to take on that role.*

If you are an American Indian/Alaskan Native member, you have the right to get services from an Indian Tribe, Tribal Organization, or Urban Indian Organization provider in and outside of the State of Illinois.

If you need help finding or changing your PCP, please contact Member Services at 844-289-2264 (TTY: 711). Hours are 8:00 a.m. - 6:00 p.m., Monday through Friday.

How to Change PCPs

You can change your PCP at any time. Please contact Member Services at 844-289-2264 (TTY: 711). Hours are 8:00 a.m.-6:00 p.m., Monday through Friday.

Healthworks of Illinois (HWIL)

HWIL began as a collaborative effort between the Illinois Department of Human Services (DHS) and the Illinois Department of Children and Family Services (DCFS). The primary purpose of HWIL is to assure that youth in DCFS care, from birth to age 21, receive comprehensive quality health care services. HealthWorks is carried out through local health departments, child welfare offices, community based agencies, hospitals, public and private clinics and private physicians.

The key features of the HealthWorks program are:

- An Initial Health Screening refers to the medical screening that is conducted within twenty-four (24) hours of DCFS temporary custody to identify health conditions that require prompt medical attention and to consider in making substitute care placement decisions.
- A Comprehensive Health Evaluation conducted within 21 days of custody, which includes an Early and Periodic Screening, Diagnostic and Treatment program (EPSDT) examination and a vision, hearing, and dental screening, when appropriate. Mental health, developmental, and alcohol and substance abuse screenings performed, when appropriate. Referrals for specialized services made as needed.

HealthWorks of Illinois lead agencies assist YouthCare with the recruitment of primary care physicians and specialty care providers. Collaboratively, HealthWorks and YouthCare

serve as the front door for health care for youth entering the child welfare system.

Women’s Health Care Provider (WHCP)

As a woman with YouthCare coverage, you have the right to select a Women’s Health Care Provider (WHCP). A WHCP is a doctor licensed to practice medicine specializing in obstetrics, gynecology, or family medicine.

Family Planning

YouthCare has a network of Family Planning providers where you can get family planning services; however, you may choose to get family planning services and supplies from any out-of-network provider without a referral and it will be covered.

Specialty Care

A specialist is a doctor who cares for you for a certain health condition. An example of a specialist is a Pulmonologist (asthma) and Orthopedics (bones and joints). If your PCP thinks you need a specialist, he or she will work with you to choose one. Your PCP will arrange your specialty care. With the YouthCare HealthChoice Illinois program, you do not need a referral to see a specialist if they are an in-network provider.

Scheduling Appointments

It is very important that you keep all appointments you make for doctor visits, lab tests, or X-rays. Please call your PCP at

least one day ahead of time if you cannot keep an appointment or if you need assistance with transportation. If you need help in making an appointment, please contact Member Services at 844-289-2264 (TTY: 711). Hours are 8:00 a.m.-6:00 p.m., Monday through Friday.

Some examples of urgent care are:

- Minor cuts and scrapes
- Colds
- Fever
- Earache

Call your PCP for urgent care or you can call YouthCare Member Services at 844-289-2264 (TTY: 711). Hours are 8:00 a.m.-6:00 p.m., Monday through Friday.

Emergency Care

An emergency medical condition is very serious. It could even be life threatening. You could have severe pain, injury, or illness.

Some examples of an emergency are:

- Heart attack
- Severe bleeding
- Poisoning
- Difficulty in breathing
- Broken bones

What to do in case of an emergency:

- Go to the nearest Emergency Department; you can use any hospital or other setting to get emergency services
- Call 911
- Call an ambulance if no 911 service in area
- No referral is needed
- Prior authorization is not needed, but you should call us within 48 hours of your emergency care

Post-Stabilization Care

Post-Stabilization Services are needed services given to a youth after the youth is stabilized following an emergency medical condition, in order to make the youth better. For a list of providers or facilities providing post-stabilization care, call Member Services at 844-289-2264 (TTY: 711). Hours are 8 a.m. - 6 p.m., Monday through Friday.

Covered Services

All services must be medically necessary. Some services require prior authorization. Your provider will submit any needed prior authorizations. You do not need to contact us to request a prior authorization. Prior authorization is not required for approved waiver services for the following waiver recipients: persons with disability, elderly, supportive living facility, brain injury, and HIV/AIDS waiver members.

You do not need referrals to see specialists, however you may want to see your PCP first. Your PCP can help coordinate referrals to specialists, hospitals, and other providers.

If you need clinical advice, call our 24/7 Nurse Advice Line. It is staffed with your Health Services Manager or our Health Engagement Specialist team. After hours, our Nurse Advice Line will answer. Call 844-289-2264 (TTY: 711).

Health Care Coordination

.....

YouthCare has several programs to improve the health of our members. We do this through education and personal help from YouthCare staff. This is referred to as care coordination. The goal of this service is to add to the quality of your care and give you the support you need. If you qualify for care coordination and choose to stay in care coordination, a Health Care Coordinator will be assigned to you to assist you in managing your care through:

- Frequent contact with you or your caregiver and health providers
- An assessment and evaluation of your conditions
- Care planning and setting short and long-term goals
- Coordination of services to provide necessary and efficient care

A HEALTH CARE COORDINATOR is a resource person that:

- Answers questions about treatment
- Helps you meet your health needs by using their knowledge of the healthcare system
- Helps you consider your options and choices
- Helps with referrals for treatment at healthcare facilities
- Acts as your link to YouthCare
- Identifies covered benefits and helps with referrals to specialists
- Helps plan your transition out of the hospital
- Helps connect you with community resources

The information obtained through our health care coordination process is confidential. It is shared only when needed to help plan your care and to properly pay your claims. YouthCare provides health care coordination services in an ethical manner based on Commission for Case Management (CCMC) and Care Management

Society of America's (CMSA) Statement on Ethics and Standards of Practice. Information on our policies and standards for ethics for care management is available.

Promoting Adoption Success™

We know that the transition to adoption is a sensitive and critical process for not only the youth and sibling group, but for the adoptive parents, and other siblings in the family. The approach of supporting adoption is unique and a critical element of preventing adoption disruption during placement or after finalization. YouthCare, and its parent company, have extensive expertise and have implemented this comprehensive initiative across the country.

Adoption support should be put in place as early as possible, and continue post finalization, for as long as the family and child need support. YouthCare will offer comprehensive physical and behavioral health services and health care coordination in combination with enhanced adoption-specific advocacy for youth as they transition to adoption, are in adoptive placement, and after adoption finalization receiving adoption support.

a2A

The needs of young adults leaving the DCFS system are vast. In an effort to support continued health access and outcomes, YouthCare will implement a care coordination program specifically designed for youth when they reach the age of 17. a2A, also known as Adolescent to Adulthood, is a specialized care management approach to support these youth as they transition out of the system and age through 21.

Advance Directives

An advance directive is a written decision you make about your health care in the future in case you are so sick you can't make a decision at that time. In Illinois there are four types of advance directives:

- **Healthcare Power of Attorney** - This lets you pick someone to make your health care decisions if you are too sick to decide for yourself.
- **Living Will** - This tells your doctor and other providers what type of care you want if you are terminally ill which means you will not get better.
- **Mental Health Preference** - This lets you decide if you want to receive some types of mental health treatments that might be able to help you.
- **Do Not Resuscitate (DNR) order** - This tells your family and all your doctors and other providers what you want to do in case your heart or breathing stops.

You can get more information on advance directives from YouthCare or your doctor. If you are admitted to the hospital they might ask you if you have one. You do not have to have one to get your medical care but most hospitals encourage you to have one. You can choose to have any one or more of these advance directives if you want. You can cancel or change it at any time. YouthCare recommends all of our members take the time to provide their advance directive to their primary care provider (PCP). You can complete the Illinois Power of Attorney for Health Care form found on the Illinois Department on Aging website: https://www.illinois.gov/aging/AboutUs/Pages/legal_adv-directives.aspx. You can also call YouthCare Member Services at 844-289-2264 (TTY: 711).

Once you have completed your advance directive, ask your PCP to put the form in your file. You can also talk to your PCP about the decision making process of creating your Living

Will or Advance Directive. Together, you can make decisions that will set your mind at ease.

If you should ever need or want to, you can change your Advance Directive at any time. You should make sure others know you have an Advance Directive. You may also choose to designate a Medical Power of Attorney. That person should be made aware of your advance directive or living will as well. With an Advance Directive, you can be sure that you are cared for as you wish, at a time when you cannot give the information.

Grievance & Appeals

.....

We want you to be happy with services you get from YouthCare and our providers. If you are not happy, you can file a grievance or appeal.

GRIEVANCES

A grievance is a complaint about any matter other than a denied, reduced, or terminated service or item.

YouthCare takes member grievances very seriously. We want to know what is wrong so we can make our services better. If you have a grievance about a provider or about the quality of care or services you have received, let us know right away. YouthCare has special procedures in place to help members who file grievances. We will do our best to answer your questions or help to resolve your concern. Filing a grievance will not affect your health care services or your benefits coverage.

These are examples of when you might want to file a grievance:

- Your provider or a YouthCare staff member did not respect your rights
- You had trouble getting an appointment with your provider in an appropriate amount of time
- You were unhappy with the quality of care or treatment you received

- Your provider or a YouthCare staff member was rude to you
- Your provider or a YouthCare staff member was insensitive to your cultural needs or other special needs you may have

You can file your grievance on the phone by calling YouthCare at 844-289-2264 (TTY: 711). You can also file your grievance in writing via mail or fax at:

YouthCare
Attn: Grievance and Appeals Dept.
PO Box 733
Elk Grove Village, IL 60009-0733
Fax: 833-920-1747

In the grievance letter, give us as much information as you can. For example, include the date and place the incident happened, the names of the people involved and details about what happened. Be sure to include your name and your member ID number. You can ask us to help you file your grievance by calling 844-289-2264 (TTY: 711).

If you do not speak English, we can provide an interpreter at no cost to you. Please include this request when you file your grievance. If you are hearing impaired, call the Illinois Relay at 711.

At any time during the grievance process, you can have someone you know represent you or act on your behalf. This person will be “your representative.” If you decide to have someone represent you or act for you, inform YouthCare in writing with the name of your representative and his or her contact information.

We will try to resolve your grievance right away. If we cannot, we may contact you for more information.

APPEALS

An appeal is a way for you to ask for a review of our actions. If we decide that a requested service or item cannot be approved, or if a service is reduced or stopped, you will get an

“Adverse Benefit Determination” letter from us. This letter will tell you the following:

- What action was taken and the reason for it
- Your right to file an appeal and how to do it
- Your right to ask for a State Fair Hearing and how to do it
- Your right in some circumstances to ask for an expedited appeal and how to do it
- Your right to ask to have benefits continue during your appeal, how to do it, and when you may have to pay for the services

You may not agree with a decision or an action made by YouthCare about your services or an item you requested. An appeal is a way for you to ask for a review of our actions. You may appeal within **sixty (60) calendar days** of the date on the Adverse Benefit Determination letter. If you want your services to stay the same while you appeal, you must say so when you appeal, and you must file your appeal no later than ten **(10) calendar days** from the date on the Adverse Benefit Determination letter. The list below includes examples of when you might want to file an appeal.

- Not approving or paying for a service or item your provider asks for
- Stopping a service that was approved before
- Not giving you the service or items in a timely manner
- Not advising you of your right to freedom of choice of providers
- Not approving a service for you because it was not in our network

Here are two ways to file an appeal.

1. Call Member Services at 844-289-2264 (TTY: 711). If you file an appeal over the phone, you must follow it with a written signed appeal request.
2. Mail or fax your written appeal request to:

YouthCare
Attn: Grievance and Appeals Dept.
PO Box 733
Elk Grove Village, IL 60009-0733
Fax: 833-920-1747

If you do not speak English, we can provide an interpreter at no cost to you. Please include this request when you file your appeal. If you are hearing impaired, call the Illinois Relay at 711.

CAN SOMEONE HELP YOU WITH THE APPEAL PROCESS?

You have several options for assistance. You may:

- Ask someone you know to assist in representing you. This could be your primary care provider (PCP) or a family member, for example.
- Choose to be represented by a legal professional.
- If you are in the Disabilities Waiver, Traumatic Brain Injury Waiver, or HIV/AIDS Waiver, you may also contact CAP (Client Assistance Program) to request their assistance at 1-800-641-3929 (Voice) or 1-888-460-5111 (TTY).

To appoint someone to represent you, either:
1) Send us a letter informing us that you want someone else to represent you and include in the letter his or her contact information or,
2) Fill out the Authorized Representative Appeals form.

APPEAL PROCESS

We will send you an acknowledgment letter within three (3) business days saying we received your appeal. We will tell you if we need more information and how to give us such information in person or in writing.

A provider with the same or similar specialty as your treating provider will review your appeal. It will not be the same provider who made the original decision to deny, reduce, or stop the medical service.

YouthCare will send our decision in writing to you within fifteen (15) business days of the date we received your appeal request. YouthCare may request an extension up to fourteen (14) more calendar days to make a decision on your case if we need to get more information before we make a decision. You can also ask us for an extension, if you need more time to obtain additional documents to support your appeal.

We will call you to tell you our decision and send you and your authorized representative the Decision Notice. The Decision Notice will tell you what we will do and why.

If YouthCare's decision agrees with the Adverse Benefit Determination, you may have to pay for the cost of the services you got during the appeal review. If YouthCare's decision does not agree with the Adverse Benefit Determination, we will approve the services to start right away.

Things to keep in mind during the appeal process:

- At any time, you can provide us with more information about your appeal, if needed
- You have the option to see your appeal file
- You have the option to be there when YouthCare reviews your appeal

HOW CAN YOU EXPEDITE YOUR APPEAL?

If you or your provider believes our standard time frame of fifteen (15) business days to make a decision on your appeal will seriously jeopardize your life or health, you can ask for an expedited appeal by writing or calling us. If you write to us, please include your name, member ID number, the date of your Adverse Benefit Determination letter, information about your case, and why you are asking for the expedited appeal. We will let you know within twenty-four (24) hours if we need more information. Once all information is provided, we will call you within twenty-four (24) hours to inform you of our decision and will also send you and your authorized representative the Decision Notice.

HOW CAN YOU WITHDRAW AN APPEAL?

You have the right to withdraw your appeal for any reason, at any time, during the appeal process. However, you or your authorized representative must do so in writing, using the same address as used for filing your appeal. Withdrawing your appeal will end the appeal process and no decision will be made by us on your appeal request.

YouthCare will acknowledge the withdrawal of your appeal by sending a notice to you or your authorized representative. If you need further information about withdrawing your appeal, call YouthCare at 844-289-2264 (TTY: 711).

WHAT HAPPENS NEXT?

After you receive the YouthCare appeal Decision Notice in writing, you do not have to take any action and your appeal file will be closed. However, if you disagree with the decision made on your appeal, you can take action by asking for a State Fair Hearing Appeal and/or asking for an External Review of your appeal within **thirty (30) calendar days** of the date on the Decision Notice. You can choose to ask for both a State Fair Hearing Appeal and an External Review or you may choose to ask for only one of them.

STATE FAIR HEARING

If you choose, you may ask for a State Fair Hearing Appeal within one hundred-twenty **(120) calendar days** of the date on the Decision Notice, but you must ask for a State Fair Hearing Appeal within **ten (10) calendar days** of the date on the Decision Notice if you want to continue your services. If you do not win this appeal, you may be responsible for paying for these services provided to you during the appeal process.

At the State Fair Hearing, just like during the YouthCare Appeals process, you may ask someone to represent you, such as a lawyer or have a relative or friend speak for you. To appoint someone to represent you, send us a letter informing us that you want someone else to represent you and include in the letter his or

her contact information.

You can ask for a State Fair Hearing in one of the following ways:

- Your local Family Community Resource Center can give you an appeal form to request a State Fair Hearing and will help you fill it out, if you wish.
- Visit <https://abe.illinois.gov/abe/access/appeals> to set up an ABE Appeals Account and submit a State Fair Health Appeal online. This will allow you to track and manage your appeal online, viewing important dates and notices related to the State Fair Hearing and submitting documentation.
- If you want to file a State Fair Hearing Appeal related to your medical services or items, or Elderly Waiver (Community Care Program (CCP)) services, send your request in writing to:

STATE FAIR HEARING PROCESS

The hearing will be conducted by an Impartial Hearing Officer authorized to conduct State Fair Hearings. You will receive a letter from the appropriate Hearings office informing you of the date, time and place of the hearing. This letter will also provide information about the hearing. It is important that you read this letter carefully. If you set up an account at <http://abe.illinois.gov/abe/access/appeals> you can access all letters related to your State Fair Hearing process through your ABE Appeals Account. You can also upload documents and view appointments.

At least three (3) business days before the hearing, you will receive information from YouthCare. This will include all evidence we will present at the hearing. This will also be sent to the Impartial Hearing Officer. You must provide all the evidence you will present at the hearing to YouthCare and the Impartial Hearing Officer at least three (3) business days before the hearing. This includes a list of any witnesses who will appear on your behalf, as well as all documents you will use to support your appeal.

You will need to notify the appropriate Hearings Office of any accommodation you may need. Your hearing may be conducted over the phone. Please be sure to provide the best phone number to reach you during business hours in your request for a State Fair Hearing. The hearing may be recorded.

CONTINUANCE OR POSTPONEMENT

You may request a continuance during the hearing, or a postponement prior to the hearing, which may be granted if good cause exists. If the Impartial Hearing Officer agrees, you and all parties to the appeal will be notified in writing of a new date, time and place. The time limit for the appeal process to be completed will be extended by the length of the continuation or postponement.

FAILURE TO APPEAR AT THE HEARING

Your appeal will be dismissed if you, or your authorized representative, do not appear

at the hearing at the time, date and place on the notice and you have not requested postponement in writing. If your hearing is conducted via telephone, your appeal will be dismissed if you do not answer your telephone at the scheduled appeal time. A Dismissal Notice will be sent to all parties to the appeal.

Your hearing may be rescheduled, if you let us know within **ten (10) calendar days** from the date you received the Dismissal Notice, if the reason for your failure to appear was:

- A death in the family
- Personal injury or illness which reasonably would prohibit your appearance
- A sudden and unexpected emergency

If the appeal hearing is rescheduled, the Hearings Office will send you or your authorized representative a letter rescheduling the hearing with copies to all parties to the appeal.

If we deny your request to reset your hearing, you will receive a letter in the mail informing you of our denial.

THE STATE FAIR HEARING DECISION

A Final Administrative Decision will be sent to you and all interested parties in writing by the appropriate Hearings Office. The Decision will also be available online through your ABE Appeals Account. This Final Administrative Decision is reviewable only through the Circuit Courts of the State of Illinois. The time the Circuit Court will allow for filing of such review may be as short as **thirty-five (35) days** from the date of this letter. If you have questions, please call the Hearing Office.

EXTERNAL REVIEW (FOR MEDICAL SERVICES ONLY)

Within **thirty (30) calendar days** after the date on the YouthCare appeal Decision Notice, you may choose to ask for a review by someone outside of YouthCare. This is called an external review. The outside reviewer must meet the following requirements:

- Board certified provider with the same or like specialty as your treating provider
- Currently practicing
- Have no financial interest in the decision
- Not know you and will not know your identity during the review

External Review is not available for appeals related to services received through the Elderly Waiver; Persons with Disabilities Waiver; Traumatic Brain Injury Waiver; HIV/Aids Waiver; or the Home Services Program.

Your letter must ask for an external review of that action and should be sent to:

YouthCare
Attn: Grievance and Appeals Dept.
PO Box 733
Elk Grove Village, IL 60009-0733
Fax: 833-920-1747

WHAT HAPPENS NEXT?

- We will review your request to see if it meets the qualifications for external review. We have five (5) business days to do this. We will send you a letter letting you know if your request meets these requirements. If your request meets the requirements, the letter will have the name of the external reviewer.
- You have five (5) business days from the letter we send you to send any additional information about your request to the external reviewer.

The external reviewer will send you and/or your representative and YouthCare a letter with their decision within five (5) calendar days of receiving all the information they need to complete their review.

EXPEDITED EXTERNAL REVIEW

If the normal time frame for an external review could jeopardize your life or your health, you or your representative can ask for an **expedited external review**. You can do this over the phone or in writing. To ask for an expedited external review over the phone, call Member Services

toll-free at 844-289-2264 (TTY: 711). To ask in writing, send us a letter at the address below. You can only ask one (1) time for an external review about a specific action. Your letter must ask for an external review of that action.

YouthCare
Attn: Grievance and Appeals Dept.
PO Box 733
Elk Grove Village, IL 60009-0733

WHAT HAPPENS NEXT?

- Once we receive the phone call or letter asking for an expedited external review, we will immediately review your request to see if it qualifies for an expedited external review. If it does, we will contact you or your representative to give you the name of the reviewer.
- We will also send the necessary information to the external reviewer so they can begin their review.
- As quickly as your health condition requires, but no more than two (2) business days after receiving all information needed, the external reviewer will make a decision about your request. They will let you and/or your representative and YouthCare know what their decision is verbally. They will also follow up with a letter to you and/or your representative and YouthCare with the decision within forty-eight (48) hours.
