

Claims Denying EXGT for G2025

Date of notice: 12/01/23

Meridian has been identified an issue with Telehealth Code G2025. These claims have been denying EXGT (encounter code required and must be billed w/payable detail lines) in error. G2025 is a Medicare telehealth code that does not require a detail code to be billed. The system is being updated and incorrect denied claims will be reprocessed with no further action by the provider.
